TASTING NOTES

The beautiful color, fresh aromas, and elegant texture of this Rosé are the result of slowly fermenting only the free run juice of Grenache grapes that were intentionally farmed to make this style of wine.

This is a dry wine that entices with aromas of pink grapefruit, rose petal, and guava coupled with flavors of cherries and strawberries. The finish is crisp with notes of minerality. It pairs well with a variety of traditional tapas, grilled fish tacos with fruit salsa and is great chilled on a hot summer afternoon.
