*Outstanding!*, Wine Press Northwest

"Count on owner Earl Jones to use five classic Portuguese varieties for this wine. It is seductive on the nose with aromas of Baker's chocolate and ripe cherries, followed by balanced flavors of plums and raisins."

## TASTING NOTES

Our dessert style wine was crafted from five of the traditional Douro wine grapes. This opaque wine has aromas of raspberries, dried cherries, plums, cocoa, and exotic spice. Fine grained tannins create a thick, rich texture and a lengthy finish.
